Introductions

Burke is Senior Policy Fellow & Director of the TA3

- Education, Workforce and Economic Development Specialist on Competitiveness and Industry Clusters
- I provide technical assistance to Community and Technical Colleges and Universities in the United States, Mexico and El Salvador
- I am adjunct faculty at the Humphrey School of Public Affairs at the University of Minnesota

Corporation for a Skilled Workforce

- is a national nonprofit that partners with government, business, and community leaders to support the creation of good jobs and the highly skilled workers to fill them.

Why US Secretariat to TA3?

We help communities innovate so that they can compete.

We help businesses cultivate talent so that they can grow.

We help people learn so that they can find good jobs—or create their own.

Our Mission

CSW catalyzes nationwide transformative change in education, economic, and workforce development through research and action.

Our Vision

CSW is dedicated to reimagining work and learning as a means to increasing economic opportunity and sustainable prosperity for vulnerable people, companies, and communities.

TRANS-ATLANTIC TECHNOLOGY & TRAINING ALLIANCE 2017

Mission:

TA3 is an international learning network advancing community and technical colleges, sharing innovation and sustainable development, for the global economy.

Vision:

TA3 will be the international learning network on the forefront of innovative and disruptive technologies driving sustainable social and economic development.

OVERARCHING THEMES

1. TA3 is a Learning Network
2. TA3 enables relationship building and sharing across the globe
3. TA3 relationships offer better access to innovation and disruptive technologies for our students and communities
4. TA3 aspires to become a more prominent and visible connecting point focused on innovation and disruptive technologies for community and technical colleges across the globe
5. TA3 is prepared to launch our *Strategic Growth Agenda*
